SOUTH AFRICA SAFARI

4 Nights Rewilding in an off-grid safari eco-camp

You are invited to join us on an exclusive and unforgettable nature immersion.

Experience an active safari and participate in the ecosystem of the remote northern Kruger National Park. Our home for 4 nights will be a seasonal luxury camp that is entirely off-grid and eco-certified. The camp is set up from April to October only, allowing for nature to regenerate annually. Encounter an array of changing landscapes and African animals on foot, led by a professional conservation team, and nurture your wellbeing with daily yoga and meditation sessions on this bespoke re-wilding retreat.

Your InRetreat guide

Nina Butler

Nina grew up in the South African wilderness roaming barefoot beneath sunny skies, in awe of earth's wonders. She was a high-school drop-out who traded the classroom for a yacht skipper's qualification, and started working on private yachts in the Mediterranean at 16 years old. This was the ultimate 'university of life' that led her into various culinary, viticultural, spiritual and artistic pursuits around the world.

She did eventually navigate back to formal education, and defended a Doctorate in Philosophy in 2015. Soon thereafter, she launched a start-up offering bespoke, multilingual yoga trainings online. This flowered into an in-person yoga travel and adventure experience business, and various consulting opportunities in brand strategy and communication. Nina is currently based in Oslo, Norway.

ACTIVE SAFARI

Reconnect with your wild side and escape to vast, varied, magnificent nature. Experience a 'participatory' and active safari, where you merge with the ecosystem through daily guided 4hr walking safaris. We will also enjoy a 2hr guided jeep safari drive each evening after sunset.

GLAMPING ECO-TOURISM

Pafuri is a seasonal tented camp situated in the remotest part of northern Kruger National Park. The camp is set up from April to October only, allowing for nature to regenerate annually, leaving no trace behind. The tented camp offers comfort and glamping luxuries, like hot showers and proper beds with linen.

PROFESSIONAL GUIDES

Nina is teaming up with Amy Attenborough to ensure your safari trip is every bit unique, safe, and spectacular. As a professional trails guide, yoga teacher and certified life coach, Amy's mission is to restore internal wilderness and re-awaken the inherent belonging we feel in nature.

YOGA IN THE WILD

We begin each day with led silent meditation. In the afternoon, we take our mats to a secret outdoor yoga shala, set in an amphitheater of fever trees. Nina will lead an uplifting, soulful and aligned flow, accessible to all yoga levels. These sessions will be truly 'in nature', with the possibility of game spotting from your mat!

ALL-INCLUSIVE, OFF-GRID

Due to the commitment Pafuri makes to 'leave no trace' and respect the ecosystem of northern Kruger, the maximum number of guests is 7, plus your yoga instructor and trip leader, Nina, and safari expert, Amy. The camp is run completely off solar and is guarded 24/7 by your two armed and trained safari guides.

EXTEND YOUR STAY

If you would like to extend your safari experience, we have a recommended lodge and package available. Spend 3 nights at Bateleur Safari Camp, located in Timbavati Private Nature Reserve, which lies adjacent to Kruger National Park and enjoys Big Five game and exceptional natural beauty.

Retreat accommodation

Pafuri Trails Camp

Discover wild Africa from a new perspective. Pafuri is a seasonal tented camp situated in the remotest part of northern Kruger National Park. The tented camp offers comfort and glamping luxuries, like hot showers and beds with linen, yet is entirely off-grid and in synthesis with the passing seasons. Delight in fresh, local produce, as you dine al fresco. Sip on a classic gin and tonic in a comfortable, unfenced camp, as you watch the unbridled beauty of the African sunset over the Luvuvhu river, teaming with African wildlife. Accompanied with this, we will also be embarking on walking safari's. A walking safari invites you to focus on the little things, the details of the magnificent ecosystem you would otherwise overlook. A walking safari is a practice in 'participatory tourism', where you get to know a place on a deep, experiential level.

“Kenya was an absolute adventure of a lifetime and a trip full of moments, people and memories I will cherish forever. I feel so grateful.”

~Holly, UK, 2022

Retreat location:

Kruger National Park

The Kruger National Park, located in the heart of South Africa, is often referred to as the crown jewel of African wildlife reserves. Stretching across vast expanses of unspoiled wilderness, Kruger National Park is a sanctuary for both wildlife and nature enthusiasts. Its pristine landscapes are a testament to the park's commitment to preserving the natural world. The park is a living museum of ancient ecosystems, where one can witness the interconnectedness of life on the African savanna. Throughout its history, the Kruger National Park has retained its deep-rooted connection to the region's cultural and historical heritage, with remnants of early human settlements and fascinating archaeological sites scattered across its expanse. The park's commitment to conservation and education makes it an extraordinary destination for those seeking to immerse themselves in the unique wonders of South Africa's natural world.

"This has to be the best organized tour I have ever been on. The blend of Yoga, healthful eating, and amazing excursions are nothing short of extraordinary."

- Vasu, USA, 2022

Extend your retreat: Bateleur Safari Camp

If you would like to extend your safari experience, we have a recommended lodge and package available. Spend 3 nights at Bateleur Safari Camp, located in Timbavati Private Nature Reserve, which lies adjacent to Kruger National Park and enjoys Big Five game and exceptional natural beauty. The lodge is luxurious, spacious and eco-friendly. There are game drives twice daily, as well as optional walking safaris upon request. Guests are treated to a hands-on, interactive demonstration on bushcraft and survival skills, perfected by the San Bushmen. This includes skills like: lighting fires, making ropes & water containers and setting snares - all using naturally occurring materials from the bush. This is a restful and indulgent add-on to your active safari experience.
